AI SEO plan

Turn customer questions into pages that get found.

1. **Collect the questions**
   Write down 20 questions customers ask before they buy.

2. **Rank them**
   Pick the five that come up most or lead to a sale.

3. **One page each**
   Prompt: Write a clear page that answers this question in my voice.

4. **Add an FAQ**
   Add three short follow-up questions and answers to each page.

5. **Refresh monthly**
   Ask Claude to update one page a month with anything new.

How to use it Start with the single question that comes up most.
